

**2018 Annual Spring Hill
All-School Reunion and Scholarship Fund Raiser**

Dear Fellow Alumni:

We are writing to you on behalf of the annual Spring Hill High all school Reunion and Scholarship Fund Raiser scheduled for June 9, 2018. Our goal every year is have an all school reunion for everyone to reconnect with old school mates and enjoy the camaraderie of our fellow Spring Hill alumni. Our goal is to present two \$500 scholarships to deserving Spring Hill Seniors to help towards their higher education.

While we did do ok financially last year, but we still need your help. This is our primary way of raising funds for the alumni and scholarships. Normally we receive a few hundred dollars from our annual mailing and then at the afternoon session we ask for donations and receive some assistance there as well.. We also raise some funds at the annual Alumni dance on Saturday night. Luckily, last year turned out ok, with good attendance, and we had several people step up with donations and were able to present 2 students with \$500 scholarships. Would you please consider a donation to help keep the SHHS Alumni Association financially stable and help us in awarding 2 deserving students a scholarship?

Without your generous donations we may not able to fulfill our goals. The alumni association does have some expenses every year like the cost of printing/postage. This is being donated again this year by Gregg Hall '78 Spring Hill alumni. The website is donated and paid for every year by a Spring Hill alumni as well. Almost everything is donated so the funds that we do receive can go directly to our High School Seniors.

So please consider any donation that you can afford as it a great investment in our community and has been such a wonderful place to grow up and make lifelong friends.
