- Graduation rate of 99%
- Honors courses in English and concurrent college enrollment in Science, Math and English with Johnson County Community College
- 2016 ACT composite scores exceed state and national averages
- 1:1 laptops for all students

“I feel incredibly blessed to live in a school district where administrators and teachers recognize the great benefit of parents and teachers working together to see students succeed. I didn’t grow up in this town, but my husband did. One of the best things I ever did was listen to him about moving back here to raise our children”.

-Heather Northrop
